

# Venson H Miller Sr's Bio

I'm Venson H. Miller Sr, the current Southern Region Director member # 94-3240. I'm soliciting your vote for re-election as Southern Region Director.

I have been a part of NAARVA for 16 years and a member of the Texas Sojourners for that whole time. After being a member 9 of those years, I ran and was elected president of this club. I served 2 1/2 terms in that position. 2 years into my term as president, I ran and was elected to Assistant Southern Region Director. In this position, I served 2 terms. I became Acting Director in October of 2023 then Director for a total of 6 months in this position. I have served as Director for the past two years.

I have a passion for our organization, for what we stand for, for what we have and are trying to accomplish. We stand for unity, peace and joy. We are trying to accomplish fellowship by socializing through RVing. Making new friends and creating lasting memories.

I have a vision I want to achieve in our Region. I want to move us forward, bring us together and lead us toward new goals. And as a member, I have listened to many conversations about our organization and want the same things in it as you do. I believe I can start us in that path with your support.

As the current Director, I have received many calls regarding our organization and would like to believe I have answered all concerns put to me. With your vote and support I will only improve to do so, for you.

If elected, the 2026 SR Rally will be a glimpse of things to come. I want the members to receive better from their contribution to our organization. I want to be a part of what we stand for and are trying to accomplish. If re-elected, I will continue to work tirelessly as your Director to make you proud to be a part of NAARVA Southern Region Family.

Thank You,  
Venson H. Miller Sr
