

I am Pamela Clayton, presently NAARVA's Southern Region Assistant Director. I have served in this position for the last 2 years and would like to serve another 2 years. Before filling this position, I held the office of Assistant Secretary and was Hospitality Chair for 12 years for the region. I've had the pleasure of serving as Rally Co-Chair a few times for our National Rally as well as our Southern Region. I've also chaired the ladies luncheon several times over my 21 years. I'm so excited to be a part of a great rally team this year and the rally to come in April 2026 and if I'm elected again, the rally in 2027 that the Southern Region will assist in. Serving gives you the opportunity to meet people, to learn your strengths, to grow, utilize skills that you have, and to just simply make friends.

I have been a NAARVA member since 2004 and a charter member of the Georgia Easy Riders RV Club. In the years with the Georgia Easy Riders, I've held the offices of President, 2 terms, 2 consecutive times, Vice President, Treasurer, Secretary, Assistant Secretary, Chair and Co-Chair of several Anniversaries.

I am a firm believer that if you're going to be in an organization of any kind, there is something for us to do. What we do today shapes what's possible tomorrow. We must say yes sometimes for growth, and strength of a desired organization and work that matters start with people who care.

I am an Administrator for Hennessy Ford Lincoln and in the automobile industry for 36 years come July 2027. Daily, I deal with customers and must exemplify great customer service. I'm responsible for ordering all items into my dealership. Supplies, food, etc., as well as the responsibility of submitting vehicle orders to the manufacturer. I am a trainer for our in-store receptionist and for our other 9 Hennessy stores.

I am married to Keith Clayton, the mother of three, of one who is deceased and two adults. The apples in my eyes are my six grandchildren. In years past I have served as President and Vice President of my Deaconess Board. Leader of our Birth Tribe Ministry and a member of the Program & Planning Committee, which over saw all church activities. I was the orchestrator of a very successful brick & bench campaign. I am a current member of Antioch Lithonia Missionary Baptist Church. I am a proud servant of God and will tell it everywhere I go!

I have had the pleasure of meeting so many good people by way of NAARVA, and the RV lifestyle. I've learned from many who have gone on to heaven or aged out. It has certainly enriched my life and offered me the opportunity to do those things that I like, which is helping in any way that I can. It's not about being seen, being #1, or being perfect, but just knowing that your little bit helps in some way.

With another opportunity, I want to help strengthen our national and regional presence. Collaborate with parks to build strategic alliances for our members and rallies. Help amplify our voices in the RV industry. Most of all, I want to help position our organization for the next generation of RVers.

I ask your vote because I am “Individually Capable and We are Collectively Unstoppable”

My motto is, “I’m Singing in the Sunshine and Dancing in the Rain”
