

## Lynda H. Daniel

**Bio:** As a proud HBCU graduate of Albany State University, I have enjoyed a career in education. I served as teacher and administrator before retiring as Assistant Superintendent for the 4<sup>th</sup> largest school district in the state of Georgia. After retirement, I enjoyed working as a leadership development coach and program management consultant assisting new administrators. Currently, I am a happy spouse, parent (adult twin daughters), and grandparent (4 wonderful grandchildren) enjoying the freedom of retirement and the relaxed life of rving. Since 2024, it has been my privilege and honor to serve as the assistant secretary for NAARVA Southern Region!

**Statement:** I am a proud member of Merrimac Sams RV Club. Our club has been a very involved chapter with NAARVA and Southern Region for 27 years. I enjoy traveling, meeting new people, and want to serve and learn from other RVers. As assistant secretary, I initiated the monthly ***Bullet Points***, which summarizes the SR Executive Board Meetings, as a way to keep individual club members abreast of SR information and current events. I am seeking the office of Assistant Secretary to continue ensuring local clubs are well informed, to increase clubs' participation in regional and national activities, and to use my skills to promote the Southern Region as NAARVA's finest!
